PC:

The present second appeal is filed by original defendant against whom suit of the plaintiff has been decreed and it is declared that the plaintiff is owner of the suit property. Further relief has been granted in favour of the plaintiff and the same is in the nature of correction of a revenue entry in favour of the plaintiff. Though the trial Court dismissed the suit the First Appellate Court has proceeded to pass a decree in favour of the plaintiff. Perused the judgment. Same does not call for interference. Finding about the ownership of the plaintiff in regard to suit property is based on evidence on record. No substantial question of law arises for adjudication in this second appeal. Hence Second Appeal is summarily dismissed.
